Twice a year we organise meetings with parents to discuss the progress of the student with a report card. All teachers are always ready and willing to speak to parents, parents can make an appointment.

We keep track of your child's development digitally throughout the schoolyear. This data is shared with the next school upon graduation. The next school can continue the support for your child.

Growing up nicely

All children in Schiedam should be able to grow up nicely! We are happy with that. If you are not financially able to get your child to participate in a sport or cultural activity, we may be able to help you. Even if other resources are needed for your child, such as a bicycle, bed, glasses, coat etc. We are intermediaries for various funds, including The Sport and Culture Fund and Bliiep!
